Dear Sir/Madam

This is the reference for Faramach Celtic Rock Band.

As the owner of The Steamboat Inn with 15 years of experience in running pubs with live music I can easily say Faramach was 1 of the best bands I have listened to.

They are an amazing group of young people including a few great vocalists, drummer, pianist and guitarists who are very passionate about music.

If you are looking for the band that will pick people up from chairs and bring them to the stage The Faramach is your answer. According to my customers they were the best band we had in for many years. They have very big repertoire and they can suit customer's needs.

They are run by very experienced and talented teacher showing how professional they are in such a young age.

Overall we would give them strong 10 out of 10 and wish them all the best in the future.

Kind Regards

Kate
